## 115th Helping Children in Need

5-22-02

The 115th Engineer Team is collecting school supplies for Afghanisthan children living near the Bagram Air Base. Sgt. Brandon Gillett, of Heber City, wrote a "Letter to the Editor" (see page 2) requesting help for their project. The engineer troops are collecting "pencils, pens, notebooks, crayons, coloring books, writing paper, educational coloring books and Persian to English dictionaries and any kind of books you would be interested in donating." To give these soldiers a hand in their relief efforts, write or send supplies to: Sgt. Brandon Gillett, Operation Enduring Freedom, 115th Engineering Team, APO AE 09354.

This pretty yellow lab is very lively! His name is "Turner" and he is about a year and a half old. He is a very happy dog and full of energy. The other dog in the photo is a very pretty brindle colored female hound mix. This is a real sweet dog, very affectionate. The following dogs are also available for adoption: Two young (8-10 weeks) black puppies with white freckles on their legs, both are female and are very sweet and really good looking. One very young female rottweiler pup, about 10 weeks old. She is cute, too, and very friendly. Two young black labradors, under a year old. They are happy and full of life!

In the cat department, there is a gorgeous calico who is spayed and declawed. She is very friendly, real loving. There are eight kittens to chose from, and they come in all colors. Please come out to the shelter to see these wonderful animals! They deserve a loving home and would be forever grateful.

Would some group like to "adopt" the shelter for a week or a month? Call Lori at the shelter to see what you can do to make a positive difference for these abandoned pets! Please take care of your pets. Keep them safe and at home where they belong. The shelter could use some "friends of the shelter" to donate blankets, towels, toys, food for adults, puppies and kittens, litter and litter boxes for the cat, etc., including leashes and collars, too. Did you know that if you adopt a pet from the shelter, Arcadia Veterinary Clinic will give your pets first shots free? Also, Gold Rush Kennels will give one free grooming with proof of your new pet's adoption from the shelter. Their generosity is very much appreciated.

The number at the shelter is 654-5727. There is an answering machine to leave messages on. Adopt one today! Spay, neuter and vaccinate now, too! Do not let your animals run loose! Pets are not disposable. They are a lifetime commitment.
